**NOTES:**

"1/3 each period" means the class is for Cody Pioneers **only**

"Yellow highlight" means we do not yet have an identified MB counselor or assistant

"Blacked out" means no class can be scheduled that period

"max ##" means the MB counselor has set a cap on the number of scouts in a class

Orienteering and Wilderness is a combined class as numbers are low.

Listed Aquatics MB counselors are set but who teaches which class is subject to last minute adjustments by CLAC and CLYC directors.

"*italics*" means the MBC has previously taught the MB **but** either they are not a Troop 1 registered MBC or

we do not know if they are a registered MBC with their troop.

no class sk means not formal class is scheduled unless the MB counselor chooses to utilize the free period

**IMPORTANT** - Please check all classes and have the MB counselors confirm that the max student numbers and times of day are correct.
